Product Quotaion + Data Sheet

Application	Search & Rescue, Military, Utilities, Law Enforcement, Industrial Safety, Emergency Medical Services, Sporting Goods.
Descriptions	The W3500 is an Industrial-duty, rechargeable, completely portable high lumen Spot and flood light and foldable table lamp with power bank.
Light source	Main Spot LED are 3pc Osram KW CSLPM1.TG-EN (20W each) Quality COB flood light made in China Table lamp used 3pc Osram low power LED
PCBA output	Constant lighting output with stable brightness when working
Light output(Lumens) Runtime	LED Spot: 3500lm/4H 1000lm/8H 350lm/15H COB Flood: 500lm/9H 150lm/30H (Long 1.2S Press Active Strobe and SOS function) Table lamp: 80lm/30H
Shot distance Candela	Max 1000Meters Max 250000cd
Battery	6x18650-3000mah , Battery overcharge, overdischarge, overcurrent, Anti-overheating protection, low power reminder.
Charging	Red indicator when charging, turn to green when charged, DC15V Spend 3-6H to full charged, TYPE-C must be use 2A plug spend 2-6 H to full charged Battery volume indicator 50%~100%(Green)/20%~50% (Orange), 5%~20% (Red), <5% (Red blinkig)
Switch	Bi-Switch button to turn on spot and flood and adjust model side table lamp just need fold and raise to turn on/off
IP Grade	IP65 heavy raining resistatn
Drop resistant	1meter / 6 times
Materis/Finish	Aluminum 6061/ Hard Anodizing
Size	167x146x52.5mm
Weight	1335g (include battery)
Accessory incl.	Spotlight / AC plug / Belt holder*2 / built-in battery / Shoulder belt
Package Style	Strong box with EVA tray insided
Package Spec.	10/box, 50/carton
Approvale	CEC compliant, FCC, ROHS, UKCA Certification
Warranty	2 years
Optional	can be charged by Type-C 2A USB cable to charging lamp
