

MULTI PURPOSE LUBRICANT

- Protects the metal from rust & corrosion,
- Removing rusted nuts & bolts with quick penetration ability,
- Lubricates and stop squeaks noise,
- Cleans metal surface from dirt, tar, grease and oil.

Industrial Machinery

Door Hinges

Car Battery

Car Body

2X Faster Penetration

3X More Effective Lubrication

3X More Resistance Against Rust

**Compare to other brand*

Available size:
120, 220, 350 & 500 ml

HIGH PERFORMANCE CHAIN LUBE

- Lubricates and slow stripping on chain,
- Extend the useful of chain and gears,
- Keeping chain work performance in high load,
- Protects chain form rust.

Motor Cycle

Chain Saw

Engine Chain

Pulley

3X More Effective Lubrication

2X More Effective Viscosity

2X Longer Protection Against Dust & Dirt

**Compare to other brand*

Available size:
120 & 350 ml

SPECIALIST CONTACT CLEANER

- Cleaning the electrical components,
- No Residue and evaporate quickly,
- Non conductor,
- Protect electrical components from corrosion.

Electrical Panel
On Car

Circuit Board

Computer

Magneto Coil

2X More Effective Cleaning Power

2X Faster Evaporation

**Compare to other brand*

Available size:
220 & 500 ml

CARB & INJECTOR CLEANER

- Clean dirt, carbon, varnish & gum in injection & carburetor system effectively,
- Contains anti-corrosion,
- Reduce vehicle exhaust emission,
- Quick penetration.

Carburetor

Valve

Combustion
Chamber

Injector

3X Faster & Effective Cleaning Power

Improve Vehicle Performance

**Compare to other brand*

Available size:
300 & 500 ml

MULTI PURPOSE DEGREASER

- Remove oil, dirt and grease,
- Polish & protect metal surface,
- Quick & easy to use,
- Leave no residue.
